

Jane Smith - Lead Data Scientist

Professional Summary:

Data Scientist with 6+ years building predictive ML models, NLP engines, and big data analytics pipelines using Python, PyTorch, and SQL.

Technical Skills:

Python, PyTorch, SQL, Pandas, Scikit-Learn, Machine Learning, NLP

Work Experience:

- **Lead Data Scientist** - Analytics AI Labs (2022 - Present)

Led a team of 4 data scientists in deploying Deep Learning models using Python and PyTorch. Improved recommendation engine precision by 25%.

- **Data Analyst** - Data Insights Co. (2019 - 2022)

Performed customer churn analysis and ETL pipeline automation with Python, Pandas, and SQL.

Education:

M.S. in Statistics & Data Science, Stanford University (2019)
